INDUSTRY PROFESSIONALS

Our team is comprised of certified public accountants, internal auditors, information technology advisors, former bank regulators, and compliance specialists.

CLIENT CENTERED

To provide efficient and effective solutions, client service is essential. You can rely on our advisors to inform you of timely opportunities, quickly identify pertinent issues, and promptly provide solutions. You can be confident that we will actively seek innovative ways to address the challenges facing our banking clients.

TECHNICALLY SOUND

KPM is involved in financial institution associations locally, regionally, and nationally. We attend industry specific education events and courses to help increase our knowledge base and remain current with regulatory requirements. We are proud to support and advocate for banks across the country.

Serving financial institutions for **50** years

FINANCIAL INSTITUTION EXPERTISE

KPM has been providing accounting services to financial institutions for 50 years and has a proven track record serving banks at all stages — from organizational and development planning to multi-institution holding companies. As such, financial institutions make up one of our largest niches in our firm.
