

KPM cares

KPM CPAs & Advisors (KPM) is dedicated to the communities in which we live and work. We believe in building stronger communities through the commitment of time, resources, and expertise and understand that you must lead by example to create engaged societies.

Clients with a Cause

Clients with a Cause fiscally supports non-profit clients and promotes awareness for their noble causes. Staff are encouraged to make a monthly donation to support local programs.

Community Cash

Community Cash encourages community involvement and gains firm recognition through sponsorships. Each staff member receives allocations to initiate a firm sponsorship.

Membership Matters

Membership Matters encourages professional development and community involvement. KPM supports staff in their pursuit of both community and professional memberships.

Community Action Requires Engaged Societies
