KPM CPAs & ADVISORS NAMED A TOP 300 FIRM

Springfield, MO – KPM CPAs & Advisors (KPM) is pleased to announce the firm’s recent ranking among the largest 300 firms in the United States by leading industry publication **INSIDE Public Accounting (IPA)**. This month, **IPA** published its annual ranking of the nation’s top 300 firms. This is KPM’s fourth consecutive year to receive the distinction.

“KPM is honored to once again be named among the top firms in the U.S.; a distinction only one other Southwest Missouri firm holds,” stated KPM Managing Shareholder Randall Moots. “This has already been a notable year for our firm as we have invested in new technology, continued to focus on effective client service, and won local and national awards for our community-focused KPM CARES program. We are thrilled to add this to our list of accomplishments for 2018,” he added.

The **IPA** ‘Top 300 Firms’ list, now in its 28th year, is ranked by U.S. net revenues and compiled by analyzing the more than 550 responses. The rankings and the accompanying analysis create a comprehensive picture of the state of the accounting profession today. Click [here](#) for the complete list and additional information.
